To

The Deputy Secretary to the Government of Bombay,
Public Works Department.

Subject :— Guaranteed appointment to the Subordinate Service of Engineers.

It has been laid down in G. L., P. W. D., No. 6986/36-E(II) dated the 20th June 1946, that service in temporary posts held by the candidates prior to their appointment to the Subordinate Service of Engineers should be allowed to count towards reduction in the probationary period. It is presumed that the posts should be of an overseer or surveyor only.

2 I have a case of an overseer who is holder of a guaranteed appointment but has service as a temporary surveyor at his credit. In view of the fact that the same scale is applicable to both Surveyors and Overseers and also that the duties performed by them are analogus, there seems no objection to count the period of service as temporary surveyor towards reduction in the probationary period.

3 It may be mentioned that on the same analogy the Surveyors have been allowed to draw mileage by road, vide please G. L., P. W. D., No. 255/36-E(ii), dated the 30th October 1946.

These appears to be no objection to the purposal, and the draft letter put up may issue, if approved.

In G. O. No. 6986/36-E(11), dated the 20-6-46, it was directed that candidates newly recruited to the S. S. S. E. Govt. is now pleased to direct that the temp. posts mentioned above may be either those of Overseers or Surveyors.

Subject:— Mr. N. G. Joshi, B. E., Temporary overseer- Selection of- to the Guaranteed post in B. S. S. E.

I have to forward herewith (in original) Memo: No. 9/W.S., dated 28-2-47, addressed to Mr. N. G. Joshi, by the principal, College of Engineering, Poona, calling for willingness or otherwise to accept guaranteed appointment in B. S. S. E., and to state that Mr. Joshi, overseer, has already replied direct to the Principal that he is willing to accept the post, as he had received a letter direct from the Principal, . He has been granted casual leave by me to appear for interview before the Principal and Secretary, Selection Committee, Poona. This should not however mean that I could relieve him of his present job, if he is selected to the guaranteed post.

2 In case Mr. Joshi, is selected to the guaranteed post by the Principal, he may or may not be posted to this Circle. In the latter case, this circle will be losing one B. E. Before he is selected, it is requested that he may be absorbed in the permanent cadre of overseers in this Circle only and retained in this Division in view of acute shortage of qualified technical personnel, as already stated in my endorsement No. G-40 , dated the 22nd March 1947.

Mr. Nagarkar may be posted to the D. I. C. and considered to be as on deputation to the P. C. Mr. Ambekar may remain in the C. C., unless it is considered necessary to transfer him to the D. I. C., where there less graduate Overseers. Mr. Kattishettar hails from the Karnatak and may remain in the S. C. Mr. Shinde may remain in the D. I. C. Mr. R. V. Joshi may be posted to the C. Tha above suggestions, which are for approval, have been made after generally taking into consideration (a) the plans where the men are already serving, so that they are not unnecessarily shifted (b) the Districts from which they hail, as candidates have some times refused to join posts in the past far away from their homes and (c) the comparative shortage of graduate Overseers in the D. I. C. If the suggestions are approved, the draft letter put up may issue, subject to such changes as may be directed.

Subject:— Guaranteed appointments for the subordinate Service of Engineers.

Reference:—Govt. Resolution, P. W. D. No. 4632/36 dated 19th August 1944 and Govt. letter P. W. D. No. 6986/36-E(II) dated 20th August 1946

In para 6 of the above quoted Govt. Resolution dated 19-8-44 it is laid down that the D. C. E. candidates selected for guaranteed appointments will be appointed on probation for one year on Rs. 70 P. M. In the last sentence of the same paragraph it is stated that graduate candidates in Civil Engineering on confirmation will be given starting pay of Rs. 120 P. M. in the scale . These orders have since been modified in para 2 of Govt. Resolutuion , P. W. D. No. 6717/36 (I) dated 16-10-46 and with effect from 1-9-46 these graduates are to get starting pay at Rs. 120/- P. M. on probation which should be raised to Rs. 130 after two years of servce

In Govt. letter No. 6986/36-E(II) dated 20-6-46 Government have allowed the newly recruited candidates to the S. S. E. to count their previous temporary service in this Department towards reduction of the Prescribed probationary period . As during this period of their temporary service converted into probationery period as made by Govt. in thoir letter dated 20.-6-46, it is doubtful whether Govt. intend to relax the condition of pay of Rs. 70 to graduates from 1-9-46, If not definite orders of Govt. as regards the recoveries on account of the higher starting pays actually drawn by overseers over and bove the limit of Rs. 70 and Rs. 120 P. M. as stated above during the period may be issued as the point is not free from doubt.

such candidates are granted higher starting pays as is admissible under for existing Govt. orders and as mention of regulating their pays for such period of the temporary service //31/ 31-8-46 and Rs..120 to graduates from

Reference:— Para 10 of the G, R. (P. W. D.) No. 4632/ 36 dated the 19th August 1944.

On the 31st January 1948, there exist no permanent vacancies in the Subordinate Service of Engineers cadre for the Southern Circle. There are, however 10 provisional vacancies due to suspension of liens of subordinates appointed as Officiating Deputy Engineers and those deputed to the Project Circle, which have also been filled up provisionally.

2 The number of graduates Overseers at present serving is 20 including 14 Overseers Officiating as Deputy Engineers, but excluding the following:—

1 Appointed as Temporary Deputy Engineer in the Public Health Branch.

Guaranteed appointments to the S. S. E. P. W. D.

E. B. (II)

According to para. 6 of G. R. No. 4632/36 , dated the 19-8-44, candidates appointed to the S. S. E. under the guarantee are to be on probation for one year on Rs. 70 in the scale of Rs. 70-5-110-10-250 D. C. Es. are then confirmed on Rs. 75 and B. Es. on Rs. 120.

2 According to para. 2 of the G. R. No. 6717/36(I), dated the 16-10-46, B. Es. are to be paid Rs. 120 for the period of probation and Rs. 130 on completion of two years service one year of probation and one year after confirmation. These orders took effect from the 1-9-46.

3 B. Es. and D. C. Es of the Poona Enginering College are often appointed as temp. Overseers as soon as they pass the exam. much in advance of their selection for guaranteed posts. According to G. L. No. 6986-E(II) , dated the 20-6-46, candidates recruited to the S. S. E. under the guaarantee but already serving in the Dept. in temp. posts are allowed to count their previous temp. service towards reduction of the prescribed probationary period of one year required for confirmation in the S.S.E.

4 Temp. Overseers are eligible for higher starting pay and increaments up to Rs. 200 in the case of B. Es. and Rs. 130 in the case of D. C. Es. which are reduced and properly refixed when they are made permanent. Candidates selected for guaranteed posts are not eligible for this inflated pay of temp. subordinates. The question raised by the S. E., C. C., relates to the inflated pay of the subordinates, who enter the Dept. as temp. Overseers before their selction for guaranteed Post. As this temp. service is subsequently treated as probationary period for confirmation in the S. S. E. , their pay should be regulated in accoreance with paras. 1 and 2 above , but they have already drawn the inflated pay as temp. Overseers as admissible to them. It will be hard to recover this excess pay drawn by the men according to the orders of Govt. simply because they are subsequently selected for guaranted posts. No such recovery is made in the case of temp. subordinates confirmed in non guaranteed posts. Their pay is only refixed from the date of confirmation. The draft letter put up

up may, therefore, issue, if approved, after u.o. refce. to the F. D.

According to para 10 of the Govt. Resolution P. W. D. No. 4632/36 datees 19-8-44, the number of vacancies existing on 31-1-48 and the number of graduate overseers already serving on that date in the Subordinate Service of Engineer's cadre of this Circle are to be reported to Government. The cadre strength of this class of establishment as sanctioned for the Central Circle as it existed prior to two reorganisations ordered in Govt. Resolution, P. W. D. No 8386/36 dated 28-2-47 and 8974/36 dated 19-12-47 is 94, exclusive of 7 posts of temporary overseeers converted into Permannent and pensionable vide Govt. Resolution No. 3486/36-I dated 28-7-47. But as stand in my letter No.s G.108/703 and 704 both of 30-1-48, this figure cannot now be adhered to, since the two permanent division viz. Satara and Sholapur have, presumably, been permanently transferred to the Eastern Circle and two Temporary Divisions with 6 Temporary Sub- Divisions have been opened in this Circle. The appointments made by the Superintending Engineer, Eastern Circle and the vacancies caused in the Eastern Circle are not now known to this office and the correct information required by Govt. in accordance with Govt. Resolution of 19-8-44, quoted above, cannot, I am afraid be supplied to Govt. by this office unless orders of Govt. fixing the cadre strength of each Circle are received,. I may therefore kindly be informed whether the necessary information should be furnished so far it pertains to Central Circle. as it exists at present, and the Superintending Engineer, Eastern Circle should be requested to Supply similar information for the Eastern Circle.
